Vinification

These vines are harvested by hand. Each grape variety is vinified individually in vats in order to allow it to develop all its qualities while respecting nature and the work of the winemaker.

Tasting and Culinary Agreements

Beautiful pale yellow color with light green reflections. A springtime perfume with notes of white lilac but also summery notes of fresh apricot and vine peach. The mouth is spicy, fruity, with a dominant "lemon mint" and Corsican mandarin. This is the ideal wine for a summer tête à tête, from the aperitif to the end of the evening, including a traditional seafood platter.
